The aim of these workshops is to make members in Area 85 aware of the upcoming agenda items at this year's General Service Conference. We hope to promote discussion and to hear directly from the members here in Area 85 on the items that could potentially face the whole of Alcoholics Anonymous. Attend just one or attend them all, we hope to see your virtual faces! A workshop discussing the Delegate's Committees agenda items will be at the Spring Assembly on April 10th in Vermillion Bay at 7pm.
